

# Xufeng ZHANG

---

Email: [xufeng.zhang@inria.fr](mailto:xufeng.zhang@inria.fr)

## Education

---

Université Côte d'Azur, Dec 2023 - Now

- PhD in Informatics

Sapienza Università di Roma, Sept 2021 - Oct 2023

- Laurea Magistrale in Data Science

Zhejiang University, Sept 2016 - Jul 2021

- B.S. in Macromolecular Materials and Engineering
- B.S. in Economics (Double Degree)

## Summer School and Exchange

---

Università della Svizzera italiana, 2022 Fall Exchange

Erasmus Exchange in Faculty of Informatics

University of Jyväskylä, 2021 Summer School

Stochastic Optimization & Multicriteria Optimization

Osaka University, 2021 Spring Exchange

Intelligence and Learning

National Yang-Ming University, 2020 Summer School

Microbial Biotechnology and Drug Discovery Program

## Projects

---

Online Caching Optimization with Predictions, Inria, Mar 2023 - Aug 2023

Driving Business Decisions through AI, Poste Italiane, Jul 2022 - Jul 2022

Impact of Land Finance on Government Policy, Zhejiang University, Sept 2020 - Jul 2021

Photothermal Effect of Polypropylene Membrane on Desalination, Zhejiang University, Mar 2020 - Sept 2020

Financial Default Risk Monitoring, Shanghai Jiaotong University, Aug 2019 - Sept 2019

Pricing Mechanism of Group Buying Platform, Zhejiang University, Apr 2019 - May 2020

## Work Experience

---

Data Analysis Internship, LundBeck, Sept 2021 - Dec 2021

Industrial Research Internship, Shengang Securities, Dec 2019 - Mar 2020

## Technical Skills & Tools

---

Programming Languages: Python, R, C

Data Analysis Tools: NumPy, Pandas, Matplotlib, PyTorch, Scikit-learn

Statistical Analysis: Stata, R

Database Management: SQL, MongoDB
